Re: D.T.E. 03-50

Dear Secretary Cottrell:

The Department's November 21, 2000 Order in this proceeding provided that the "carrier-to-carrier measurements in Massachusetts shall change immediately, with no delay, to incorporate new or changed measurements in New York." I am writing to inform the Department that the NYPSC issued the attached order on June 26, 2006, amending the Intercarrier Service Quality Guidelines to be used for the reports. Verizon Massachusetts will file its revised C2C Guidelines with the Department within 10 days of the July 11, 2006 Compliance Filing in New York. The changes for Massachusetts have been scheduled for inclusion in the November 2007 OSS Quarterly Release, coincident with New York.

Thank you for your assistance to this matter.

Very truly yours,

/s/ Alexander W. Moore
